

We provide real estate financing solutions for timely execution.

Fund Description

The Fidelis Private Fund, LP (FPF), a California Limited Partnership, is a direct portfolio lender specializing in commercial and residential investment real estate loans in California. FPF offers accredited investors the opportunity to invest in a diversified pool of real estate secured loans generating a competitive rate of return with moderate risk and reasonable liquidity. Fidelis Private Fund offers borrowers a flexible alternative to conventional lending institutions. We specialize in fast and creative short-term bridging financing with a clear exit strategy to transition properties and add value, so at loan maturity the borrower is in a position to either sell or refinance.

We have the expertise and relationships to facilitate most real estate financing needs. We know that not every client request is a fit for Fidelis Private Fund; however, we will help our clients find the right financing to accomplish their goals, regardless if we fund the loan directly or not. So whether we facilitate the loan as a direct lender or as a mortgage broker, FPF is a one-stop destination for real estate financing needs.

Investment Objective

Fidelis Private Fund's objective is to provide an investment opportunity that generates income and preserves capital. We have the expertise and experience to capitalize on the inefficiencies in the market using strong underwriting fundamentals and a disciplined approach to capital preservation to maximize the return to our investors.

We exist to help our clients achieve their financial goals. Forging strong client relationships built on trust is the cornerstone of our long-term strategy for success.

Growth Comparison Chart

Fund Manager

For over 30 years, John Lloyd has pursued his passion and life's work in commercial real estate financing. His experience includes institutional, commercial real estate lending at two commercial banks, served as CFO for a commercial real estate developer, and in private mortgage lending as president of a California-based hard money lender.

Prior to co-founding Fidelis Private Fund, John was president of a San Diego-based private commercial real estate mortgage fund. He managed the growth of the Fund through the 2008 recession and grew the Fund over 400% with no investor capital losses, and managed a loan portfolio of over \$190 million with investors earning an annual yield in the 7-8% range over his tenure there. Also, as a mortgage broker, John has originated more billion dollars worth of commercial real estate loans over his career.
